

Environmental Policy Statement

Architectural Windows Ltd is a professional and environmental conscious organisation, which acknowledges the impact that our operations may potentially have on the environment. The clear objective of Architectural Windows Ltd is to minimise any impact on the environment by:

- Preventing pollution, reducing waste and ensuring wherever practical ensures are implemented to protect and preserve natural habitats, flora and fauna;
- Considering the effects that our operations may have on the local community;
- Taking action to eliminate or reduce as far as practicable, any potentially adverse environmental impacts;
- Promote environmental awareness amongst our suppliers, contractors and partners by implantation of operational procedures;
- Seek to work in partnership with the community by behaving in a considerate and socially responsible manner;
- Ensure effective and expedient incidence control, investigation and reporting

Management and supervisory staff have responsibilities for the implementation of the policy and must ensure that environmental issues are given adequate consideration in the planning and day-to-day supervision of all work.

Architectural Windows Ltd will fully comply with the duties placed upon it within the requirements of statutory legislation, whilst at all times complying with, as matter of best practice, the requirements and duties set out with approved guidance as issued by the Environment Agency and other organisations.

All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operation with management on any environmental related matters.

Architectural Windows Ltd will take app practical steps to ensure that potential hazards and risk to the environment are identified and that suitable and effective preventative and control measures are implemented. All employees will be provided with the necessary resources, equipment, information, instruction and training to fulfil the requirements of this policy.

The Directors have overall responsibility for all environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's activities. This policy has been endorsed by the board of directors who gives their full support to the implementation of the policy
